PLEASE DON'T SHOOT THE DANCE COMMITTEE

Committee work becomes less sweet
When someone squawks about his seat.
We'd like to mention it's a task
To please you all just as you ask.

We pray for the day when some inventor
Will plan a ballroom—all dead center.
In short, a room so well designed
All seats in front and none behind.

Please believe we really tried
To keep you all well satisfied.
We tried to do our very best
To please you—our honored guest.
